## COVER CREDIT

The Town Hall building was originally constructed in 1947. Through the generosity of Mrs. Mildred G. Stark, the addition will be completed this early spring. It will house town offices, courtroom, also communication and police departments.

The original Fire House was erected by volunteer firemen and equipped by Pinardville residents. Due to the growth of the town, the new station was completed this year.

## DEDICATION

This 1969 annual town report is respectfully dedicated to the memory of Mrs. Mildred G. Stark who died April 29, 1967 at the age of 95.

Through the generosity of this community-minded woman, the present Town Hall is being enlarged. Mrs. Stark's bequest is making possible the addition of a second floor and clock tower on the municipal building.

Mrs. Stark was born in Yarmouth, Maine. She was a long-time resident of Goffstown and a graduate of Goffstown High School. She was the wife of Frank A. Stark, a former president of the Kendall-Hadley Corporation of Goffstown.

A firm believer in the quiet type of philanthropy, Mrs. Stark was a member of the Kings Daughters, Moore General Hospital Associates and a 75-year member of Mystery Rebekah Lodge. She attended the Goffstown Congregational Church.

A grateful town appreciates her bequest.

## SELECTMEN

SELECTMEN'S OFFICE Doris Ducharme Josie Beebe

This year's Town Report reflects the results of an active year and also points out some of the proposed plans for the future of Goffstown.

Indeed it was a very busy year as the town was without a manager and served by only two selectmen for eleven months.

The town tax was reduced by thirty cents a thousand. Expenditures were exceeded; however, revenues came in strong due to investing of tax monies and higher interest rates thus making possible a surplus of \$7,124.89 for 1969.

The Roy Memorial Park Playground now has a completed swimming pool and bathhouse along with tennis courts and play area for the children.

Surface drains were completed and five streets were paved. Henry Bridge Road was finished. Extensive work was done on East Dunbarton Road

and Pollard Bridge was repaired. Banking work on Elm Street was also completed and several miles of roads were seal-coated.

A new Fire Station was constructed. A new fire truck was purchased and a new chassis installed on Engine five. Two old police cruisers were also replaced.

The Town Hall renovations, made possible by the Mildred G. Stark Fund, are well underway and will be completed by the end of March.

The paper work for matching funds for the Barnard Playground was processed and approval has been received so that construction of the swimming pool and tennis courts can be done this year.

An Engineering Study was completed for the removal of surface water from the sewer system in Goffstown.

A Study was done for the completion of Goffstown Road to the Manchester line. A water study was also made to extend and improve water supply to the Village and Grasmere area. Several committees worked diligently on these projects.

It is only proper that we express our appreciation to these committees and to the citizens of the town for their advice and assistance given throughout the year.

It is also fitting that we dedicate our report to Mildred G. Stark for her contribution to Goffstown.

To all town employees and department heads a sincere thank you.

# 1969 TOWN MEETING

Moderator Gordon F. Burns called the meeting to order at 6:00 a. m. at the High School Auditorium for voting on Town Officers by ballot. In the 5th District, the polls were open from 6:30 a. m. to 6:00 p. m. and from 6:00 a. m. to 6:30 p. m. at the Central District.

The evening meeting was called to order at 8:00 p. m. by Moderator Gordon F. Burns.

## Article 1

### 1969 NON-PARTISAN BALLOT

#### Selectman-3 years

Vote for one

Tyler E. Carlisle	580
John F. Graham	196
Charles A. Weillbrenner	927

#### Town Treasurer-3 years

Vote for one

Roger N. Dubreuil	580
Aime R. Paradis	658
Peter E. Stanhope	461

#### Library Trustees-3 years

Vote for two

Helen B. Bechard	568
Lawrence E. Brewer, Sr.	306
Cynthia J. deVries	343
Elizabeth S. Dunn	904
Vivian Sorenson	885

#### Budget Committee-3 years

Gerard A. Descoteaux	653
Gerald G. Duval	615
Ernest W. Fletcher	798
Robert E. Fraser	432

(Recommended by the Budget Committee) Vote by clecklist — paper ballot.

Total vote: 367 yes 106 no necessary to pass 245.

## Article 8

Amendment of Zoning Ordinance. Goffstown Town Map 34, Lot 178; Map 35, Lot 4 to 11A inclusive.

Inserted by petition of more than ten legal voters. Vote on separate ballot at polls

YES 854 NO 407

## Article 9

Publication of adjustments and abatements on real estate assessments in Town Report annually. Motion to dismiss approved by voice vote.

## Article 10

Mildred G. Stark will. Acceptance of the sum of \$296,056.75 and interest, as bequeathed by the late Mildred G. Stark, to authorize the Selectmen to take or purchase land abutting the present Town Hall and contract for the completion of the Town Hall. Approved by voice vote.

## Article 11

Appointment of committee to the Regional

Refuse Disposal Planning Board. Approved by voice vote.

#### Article 12

Town Officers' Reports. Approved by voice vote.  
Attested a true record by

George T. Aimo  
Town Clerk-Goffstown

## 1970 TOWN WARRANT

To the inhabitants of the Town of Goffstown in said County of Hillsborough, in said State, qualified to vote in Town Affairs and to the inhabitants of the School District in the Town of Goffstown qualified to vote in School District Affairs:

You are hereby notified to meet at the Goffstown High School in said Town on Tuesday, the 10th of March at nine o'clock in the forenoon, to act on the following subjects:

The polls will open at 9:00 A. M. and close at 7:00 P. M. at the Central Polling Place and will open at 9:00 A. M. and close at 7:00 P. M. in the Fifth District Bartlett School. Business meeting will take place at 8:00 P. M. at Goffstown High School, Tuesday, March 10, 1970.

None of the articles in the warrant, except those relating to the election of officers and those covering questions on the ballot shall be considered during the time that the polls are open.

1. To choose all Town Officers, Trustees and Commissioners, and School District Officers for the ensuing year, including a member of the Board of Selectmen for three years.
2. To see if the Town will vote to adopt the Town Manager Plan as provided in Chapter 37. (By Official Ballot). Inserted by more than ten legal voters.
3. To see if the voters will approve of having two

sessions for the Annual Town Meeting in this Town, the first session for choice of Town Officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the Selectmen, for transaction of other business. (By official ballot.) Inserted by petition of more than ten legal voters.

4. To see if the Town will vote to raise and appropriate the sum of One Hundred Thirteen Thousand Dollars (\$113,000.00) to reconstruct and pave a portion of the Goffstown Back Road, the sum of One Hundred Thirteen Thousand Dollars (\$113,000.00) to be raised through the issuance of serial notes or bonds under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of Revised Statutes Annotated) and any amendments thereto, and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and determine the rate of interest thereon, and the time and place of payment and condition of sale thereon, and to take such action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interest of the Town of Goffstown. Recommended by Budget Committee. (By Official ballot).
5. To see if the Town will vote to raise and appropriate the sum of Six Hundred Thousand Dollars (\$600,000.00) to extend the Goffstown and Grasmere Water System for the purpose of Industrial Development, the sum of Six Hundred Thousand Dollars (\$600,000.00) to be raised through the issuance of serial notes or bonds under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of Revised Statutes Annotated) and any amendments thereto, and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and determine the rate of interest thereon, and the time and place of payment and condition of sale thereon, and to take such action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interest of the Town of Goffstown. Recommended by Budget Committee. (By Official Ballot).

6. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty-Two Thousand Seven Hundred Fifty Dollars (\$152,750.00) to remove the surface water from the Goffstown Village Sewage System, the sum of One Hundred Fifty-Two Thousand Seven Hundred Fifty Dollars (\$152,750.00) to be raised through the issuance of serial notes or bonds under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of Revised Statutes Annotated) and any amendments thereto, and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and determine the rate of interest thereon, and the time and place of payment and condition of sale thereon, and to take such action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interest of the Town of Goffstown. Recommended by Budget Committee. (By Official Ballot).
7. To see if the Town will vote to adopt the Boca Book National Building Code. (By Official Ballot).
8. To see if the Town will vote to amend the Goffstown Zoning Ordinance and maps as adopted at the Town Meeting, March 14, 1961 and subsequently amended, by striking out Articles 1-X inclusive, and inserting Articles 1-VIII which have been placed on file with the Town Clerk. (By Official Ballot).
9. To see if the Town will vote to adopt the budget as submitted by the Budget Committee in the amount of Eight Hundred Sixty-Seven Thousand Eight Hundred Ninety-Five Dollars and Sixty-three cents (\$867,895.63), and raise by taxes the sum of Six Hundred Seventy-Four Thousand Forty-Seven Dollars and Fifty-two Cents (\$674,047.52). (County Tax not included.)
10. To see if the Town will vote to authorize the Selectmen to borrow from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running

continued on the next page

expenses of the Town.

11. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deed, purchase, prescription or gift.
12. To see if the Town will vote to authorize the Selectmen to hire a Building Code Inspector, at a salary of Fifteen Thousand Dollars (\$15,000.00) per year, if the Boca Book National Building Code is adopted by the voters. Recommended by the Budget Committee.
13. To see if the Town will vote to raise and appropriate the sum of Nineteen Thousand Dollars (\$19,000.00) to purchase an Accident Investigating Unit. Without recommendation of the Budget Committee.
14. To see if the Town will vote to raise and appropriate the sum of Two Thousand Seven Hundred Dollars (\$2,700.00) to repair and repave Gold Street. Inserted by petition. Not recommended by Budget Committee.
15. To see if the Town will vote to authorize the Selectmen to purchase a Back Hoe for a sum not to exceed Nineteen Thousand Dollars (\$19,000.00), said sum to be taken from the Highway Capital Reserve Fund. Recommended by the Budget Committee.
16. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Eight Hundred Forty Dollars (\$9,840.00) to repair and repave Worthley Hill Road. Recommended by the Budget Committee.
17. To see if the Town wishes to exclude from the Soc. Sec. plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for such service is less than \$50.00. Recommended by Budget Committee.
18. To see if the Town will vote to authorize the Goffstown Charter Commission to prepare a

Charter for a councilor, manager form of government; hold public hearings on the same and call a Special Town Meeting for the purpose of having the voters approve the Charter and submitting it to the New Hampshire Legislature.

19. To see if the Town will vote to authorize the Selectmen to retain the Sea-Grave fire engine.
20. To see if the Town will vote to raise, appropriate the sum of Eight Thousand Dollars (\$8,000.00) to rebuild, according to State specification, the portion of East Dunbarton Road between Foster and Gagnon; or take any other action relating thereto. Inserted by petition of more than ten legal voters. Not

recommended by Budget Committee.

21. To hear the reports of Town Officers, Auditors, and Committees and to pass any vote relating thereto.

22. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twentieth day of February 1970.

Lloyd M. Sorenson  
Charles A. Weilbrenner

Selectmen of Goffstown

POLICE DEPARTMENT Roger Gobin Barry Morgrave

The year 1969 was one of dynamic change and innovation for the Goffstown Police Department. Along with a 27% increase in the general crime rate, and an 18.3% increase in the accident rate, changes in policies, procedures and programs were instituted to meet the challenge of law enforcement in a small community. It was also in this year that plans were established for new programs in a variety of areas within the law enforcement field.

# POLICE DEPARTMENT

## FACTS AND FIGURES:

The following table represents pertinent statistics recorded and evaluated by the Goffstown Police Department.

Category	Percentage Difference	1968	1969
Accident Increase	+18.3%	235	278
Complaint Increase	+42.0%	1,714	2,435
General Crime Increase	+27.0%	669	849
Felony Crime Increase	+16.7%	370	432

Category	Number	Percentage Difference (1968/1969)
Accidents Investigated	164	+ 7.9%
Vehicles Involved	451	+22.2%
Injuries Sustained	76	- 5.0%
Burglaries	101	+21.7%
Total value of property taken		\$14,221.45
Total value recovered		\$ 8,369.00
Clearance rate by arrest		42.0%
Property Damage	111	- 4.3%
Larceny	183	+24.5%
Total value stolen		\$29,325.43
Total value recovered		\$24,649.72
Cases cleared by arrest		38
Narcotics Complaints	21	
Arrests for narcotic violations		15
Motor Vehicle Complaints	331	+104%

## IMPROVED SERVICES:

Representatives of the police department were responsible for increasing the relations between the police and the citizenry by expanding public information services. Talks, lectures and seminars with various service organizations and educational institutions were established with the hope that two-way channels of communication would be facilitated. Merchants were contacted with suggestions of better ways to increase the security of their business establishments, and a special information folder was made available to vacationing citizens advising them of the proper procedures prior to leaving their homes vacant.

The volume of information released regarding the use and effects of drugs and narcotics was increased to allow the public to understand the scope of the problem and the nature of various drugs. In addition to serving in the capacity of public educators, all members of the department participated as students in the law enforcement

degree program at St. Anselms College.

Expansion of the K-9 Corps was undertaken with the addition and training of one new dog. A former operative of the K-9 program, Lt. Moquin's "Rex," was given honorable mention for his nine years of service and retired; Rex was one of the two original dogs in the program when it was initiated in 1961.

## PROPOSED SERVICES:

The year 1969 brought many proposals for the betterment of services to the public. One of the major developments was that of a proposal to obtain federal funds for the purchase and maintenance of a highway traffic safety vehicle. The proposal was approved by the government and resulted in the appropriation of \$9,500.00 in matching funds for the purchase of a vehicle and equipment, and the hiring of personnel to make it functional.

A program in skid control was initiated to train citizens in the methodology of controlling a vehicle on slippery roads. The department is anticipating that program operations will be ready for full institution by the spring of 1970. The proposal would allow participants actual experience in skidding, and would be facilitated with little or no cost to the town.

Currently under consideration by the Goffstown High School is a proposal to initiate a course in the school to inform youth of the various aspects of the law, and the operations of the police in contemporary society. The department is in hopes that such a course of instruction will create better understanding and greater cooperation between the youth of the community and the members of the police organization.

Federal funding is being sought to expand and modernize the communications facility of the town. It is likely that such up-dating can be accomplished with no cost to the taxpayer.

In addition, the following plans are currently being considered or facilitated:

- The establishment of a Boy Scout Explorer Post with a primary focus on law enforcement;
- The institution of an intense bicycle safety program to arrest the recent increase in automobile-bicycle accidents;
- The implementation of a "patrolman of the month" program for school safety patrol members; and,
- The formulation of a "Disaster Control Plan."

The members of the Goffstown Police Department are appreciative of the assistance and support of the citizens of the Town of Goffstown in the past year. However, Chief Robert Wike urges the public to participate more in calling or writing the department with suggestions or criticisms regarding the performance of law enforcement in Goffstown. It is only through such mutual cooperation that the police force can function efficiently and effectively.

# FIRE DEPARTMENT

NEW FIRE STATION Theron Morage, Fire Chief Leo Charest, Fire Warden

NEW FIRE ENGINE Theron Morage, Fire Chief

It seemed as the year 1969 advanced, we were not having as many fire calls. But while making this report the results proved otherwise as noted below.

This past year a more concentrated program of training was instituted. Two firemen, namely, Peter Jenkins and John Sarette were promoted to the rank of Captain and they are conducting the training classes. Since the program was started, May 1, 1969 to December 16, 1969, 1343 hours have been spent by the men. Funds have been asked for in the budget for equipment and facilities to continue this program.

With the cooperation of the Manchester Fire Prevention Bureau training classes were held at the Moore General Hospital for the student nurses and at the Hillsboro County Home for the nurses and attendants etc. These classes consisted of actual use of fire extinguishers on fires, removing patients from bed and how to evacuate several babies at one time.

All buildings were tested for sprinkler and alarm operation and several fire drills were held at the Hospital.

A survey was made of all schools for fire extinguishers. 31 new units and two new standpipe hoses were added. This brings the schools up to a much better standard.

## A SLIGHT INCREASE IN PROPERTY LOSSES FOR 1969.

Estimated value of property involved	\$157,200.00
Covered by insurance	137,400.00
Estimated loss	89,200.00
Losses paid by insurance	74,700.00

## TOWN OF GOFFSTOWN HIGHWAY DEPARTMENT TOWN REPORT: 1969

### HIGHWAY DEPARTMENT PERSONNEL:

Road Agent: Joseph Perry  
Foreman and Engineer: Lloyd Bailey  
Sewer Foreman: Wentworth Miles  
Cemetery Foreman: Keith Moore  
Sewer Plant Operator: Harry Gage  
Dump Attendant: Raymond LaFlamme

Full-Time Personnel	17
Part-Time Personnel	2
Contract Personnel	6

### OPERATING EQUIPMENT:

- 2 — Leased Mack Trucks
- 1 — Packer Rubbish Removal Truck
- 10 — Snow Plows
- 1 — Bulldozer
- 1 — Grader
- 1 — Loader
- 1 — Backhoe
- 1 — Bombardier
- 2 — Sanders
- 3 — Pick Up Trucks
- 1 — Trailer (Low-Bed)
- 6 — Hired Trucks
- 1 — Hired Loader
- 2 — Extra Trucks for Snow Removal

In 1969 the Goffstown Highway Department was responsible for the construction, repair and maintenance of many of the roadways throughout the Town of Goffstown. With a budget of approximately \$302,000, many projects were completed and additional projects initiated and proposed.

### COMPLETED PROJECTS:

The maintenance of a municipal highway system is difficult and time-consuming. Besides the obvious repairs necessary from year to year, major work is required periodically to assure that the roadways will be maintained in a condition that suits safe and convenient travel. To this extent, installation of culvert pipe in various locations throughout the town was necessary: 645 feet of 12" pipe; 280' of 18" pipe; 50 catch basins; 707 feet of 15" pipe for under-drainage; 5012 feet of 12" pipe for under-drainage; and 207,030 square feet of hot top to re-condition the various roadways after drainage repair.

In addition, the highways throughout the town were sealcoated, approximately 65,924 square feet of sealcoating was effected at the following locations: Lynchville Park Road; Chapel Ave.; Danis Park Road; Daniel Plummer Road; Addison Road; Zane Drive; Winding Brook Road; Knollcrest; Ashlar Ct.; Bailey Ct.; Highland Ave.; Ashlar Drive; Pine Ridge Ave.; Shirley Park; and Shirley Ave. All roadways that were sealcoated were swept prior to and after the sealcoating process.

As in previous years, dust control procedures consisted of the application of reclaimed motor oil on the dirt roads of the Town of Goffstown. The highway department expended a total of 21,150 gallons of such oil at an approximate cost of \$.07 per gallon. The results achieved were excellent, especially with regard to the low expense of applying the oil for dust control purposes.

Mechanical work for the Goffstown Highway Department is accomplished by the various personnel of the department as there is no mechanic available to them. Despite this fact, the engine of the loader was completely overhauled, four plow frames were constructed, the undercarriage on the bulldozer was repaired, the front-end of the grader was rebuilt, and ten frames for catch basins were constructed. Such work, though time-consuming, was responsible for substantial monetary savings to the Town of Goffstown.

East Dunbarton Road was widened and shoulder work was accomplished on approximately 990 feet of roadway, and the banks were cut back with a crushed bank run installed on the shoulders. This project necessitated the addition of one new culvert which consisted of 40 feet of 12" pipe.

Additional road work was completed on the following locations: Montelona Road; Tibbetts Hill Road; Tirrell Hill Road; and Merrill Road.

Two of the priorities in the year 1969 consisted of the installation of protective guard rails on "Dead Man's Curve" on the Back Road, and the renovation of railroad crossings on East Union Street and in Shirley Park.

### NEW AND PROPOSED PROJECTS:

A primary objective of the highway department's function is to plan projects for the ensuing year. One of the primary proposals for the year 1970 is a measure to

resurface approximately 4½ miles of sidewalk, inclusive of 78,800 square feet. The resurfacing would involve a ½" thick capping on sidewalks in the following locations: South Mast Street; Church Street; Traffic Circle; North Mast Street; East Union Street; Prospect Street; West Union Street; Elm Street; Spring Street; Mill Street; Mast Road; Henry Bridge Road; and Grasmere.

The department also plans to contract 2 miles of the Goffstown Road from the Grasmere Bridge; an additional mile of roadway would be hot topped as a completion of the work that has been done on the Back Road for the last several years.

In addition, the following projects are proposed for the new year: drainage of and paving of Wortherly Hill Road; repaving of Roy Street; installation of new stop signs at various locations where they are necessary but have never been existent; correction of drainage difficulties on First and Second Avenues; and extensive brush and tree cutting on the sides of most of the roadways in the town.

#### RUBBISH PICK UP:

In 1969 the highway department facilitated the collection of a special annual trash pick up to allow citizens to rid themselves of materials they would otherwise have to transport to the dump themselves. The project was very costly and for this reason the service is not to be continued in the year 1970. A breakdown of the expenses for the said rubbish pick up follows:

Two town trucks .....	\$ 400.00
One Loader .....	\$ 300.00
One Dozer .....	\$ 300.00
Two hired trucks .....	\$ 244.80
Other Labor .....	\$ 566.73
TOTAL .....	\$1811.53

Citizens should be mindful of the fact that the maintenance of the 136 miles of roadway in the Town of Goffstown is a difficult and seemingly expensive task. In this respect, Road Agent Joseph Perry seeks the comments and suggestions of interested citizens so that the Goffstown Highway Department might better serve the needs of the Town of Goffstown.

# LIBRARY

## LIBRARY TRUSTEES REPORT

Our constant goal is to improve the services of the library, and gradually renovate the physical plant. The board has contracted to have much needed new and additional lighting in the library, paint the walls and restore the priceless woodwork on the main floor. New hardware has been ordered for the front door. Since the library has never had hot water, equipment to facilitate same will be installed. These projects will get under way the first of the new year, and will be accomplished with monies left in bequests for such purposes.

We are grateful to the Town for placing a street light opposite the library, which affords good lighting on the steps during the evening hours.

The library has received a \$100.00 grant-in-aid from the State Library Commission. This grant will be expended to improve our library's reference collection.

The trustees are ever mindful of their responsibility to strive to make the library function at its best. We gratefully acknowledge the help Mr. Emil W. Allen, Jr., State Librarian and his staff have given our board this past year.

The Library Board of Trustees has accepted, with regret, the resignation of our librarian, Mrs. Daniel H. Vickery, which takes effect December 19, 1969. Mrs. Vickery has served our community faithfully for the past eleven years. We are deeply appreciative of her efforts to continually raise the standards of the library service to the Town.

The board, being aware of its duty to make the

library as attractive as possible, put in a bed of petunias around the walk this past summer. Seasonal and special holiday decorations are used throughout the library.

Mrs. John C. Stanhope, Chairman  
 Mrs. Charles L. Ainsworth, Vice-Chairman  
 Mrs. Richard A. MacKenzie, Secretary  
 Mrs. Robert L. Dunn, Treasurer  
 Mrs. Lloyd M. Sorenson, Publicity  
 Mrs. Hedley G. Pingree, Building and Renovations

## GOFFSTOWN PUBLIC LIBRARY

### Librarian's Report

Our circulation increases each year. The reference books are in constant demand by students and adults. World Book Encyclopedia has been updated this year, and a Britannica Atlas added. Additional educational books have been purchased for use of the students. We now have a very fine volume of Scribner Music books for piano and voice.

The Summer Reading Program was well attended and highly successful.

Our library is most grateful to receive \$2000.00 left by Miss Mary Louise Billings, late of Goffstown, to constitute the Mary Louise Billings Fund, the income to be used to purchase children's books.

We wish to express our thanks to the Shirley Club and the Unity Club for their continued interest and gifts to the library. It is deeply appreciated.

Circulation:	
Fiction	22,955
Non-fiction	10,533
Magazines	1,606
Books added	1,325

Joanna H. Barnard, Clerk

# CHARTER COMMISSION

## CHARTER COMMISSION

When your commission made its report at the 1969 Town Meeting part of the last paragraph was, "should the need and/or demand arise for future action from this body, (be needed) we would be ready to act accordingly."

Both the need and demand HAVE arisen. Those who are familiar with large town government are all aware of the almost continuous tough time-consuming problems that face a few part-time town officials. Since the 1969 meeting no one could foresee the events that have taken place . . . the defeat of the town manager plan, the loss of one selectman for a year, multi-million dollar construction projects in Goffstown to oversee and endless other smaller issues to handle.

Above are some of the reasons for the need . . . and these reasons cause the DEMAND to be made . . . a demand from those who face these problems daily: The Selectmen, the Budget Committee, The Planning Board . . . all have given this committee a challenge to bring before you, the voters of Goffstown, a chance to bring about a change in our Town Government. A chance whereby our town can go into the 70's and the last part of the 20th Century with a modern up-to-date efficient government. One that spreads the load over many people in an equal manner, not one that puts the load of attending dozens of meetings, spending hundreds of hours doing town business

sandwiched in between a regular job and a family.

By retaining the present government you only put the load of running YOUR town on a few dedicated people who are becoming harder and harder to convince to serve and once serving to stay on the job. These fine citizens, because of the growing load they carry, only have time to react to events . . . not carefully plan for them.

Finally, Goffstown has been extremely lucky in 1969 on one hand, but on the other it has been unlucky. We have been lucky because during this time we have had two dedicated Selectmen in Lloyd Sorenson and Charles Weilbrenner; they have had good health, understanding families and have agreed on most issues plus put in untold hours of time on a thankless job.

CITIZENS OF GOFFSTOWN we could have been very unlucky . . . just think for a minute if these men had greatly disagreed, become ill or resigned . . . our government would have come to an abrupt halt and we could not have averted chaos without great inconvenience to all our residents.

We URGE each of you to carefully put aside any temporary ill feelings; think of your fellow citizens, young and old, present and future, and help pass the article in your warrant to allow the Goffstown Charter Commission to bring a new Town Charter for you to vote on and if favorably voted then bring it before the New Hampshire Legislature in 1971 for ratification.

It is not often that citizens have the opportunity to change their Government . . . this opportunity should weigh heavily on you . . . as it does on us . . . to better our town as the future of OUR town government is in your hands.

Sincerely,

Larry Emerton & Raymond Ducharme,

Co-Chairmen

John Langley

Roger Paradis

Larry Shirley

Richard Poehlman

# PLANNING BOARD

The Goffstown Planning Board has held twenty-four meetings since the Town Meeting. It has considered and acted upon thirty requests to subdivide land. At least two members of the Board have looked at each site. Laws passed at the last session of the Legislature regarding sub-divisions now require that all abutters be notified and a hearing held before any sub-division may be approved.

Mr. Barnard and Mr. Shirley are the Goffstown representatives to the Southern New Hampshire Planning Commission. Mr. Barnard is the Vice-Chairman of the Commission and a member of the Executive Committee. The Southern New Hampshire Planning Commission has Federal funds and is having an engineering survey of the area made to explore the feasibility of area sewage disposal and an area water system. We are hopeful that the sewage system may become a reality before Goffstown is again ordered to build its own plant in the Pinardville area.

You may wonder what became of the Comprehensive Plan the Sewall Company prepared for the Town under the "701" program. Copies were given to the members of every Board and each elected officer of the Town as a possible guide for future development of the Town. The proposed capital improvement program has been followed quite closely by the Selectmen and the Budget Committee.

These proposals have been adopted and completed: an independent radio system for the Police Department, a new chassis for the Fire Department, Pinardville has a new playground and swimming pool, \$70,000.00 is being raised annually for streets, roads and storm drains, \$20,000.00 is added to the capital reserves each year.

These proposals have been adopted and are progressing: a new Fire station at Pinardville, a new municipal center as a result of the generosity of the late Mrs. Stark, funds to improve Barnard playground have been approved by the State and the approval of Federal funds is expected within weeks, the School Site Committee is looking for land to build a new Junior High School.

There will be articles in the Town warrant to fund the elimination of all surface water from the Goffstown Village sewer system, to approve the revision of the Zoning ordinance adopted in 1961, and to approve the adoption of a Building Code and employ a Building Inspector. All of these projects were spelled out and given priorities in the Comprehensive plan.

The Planning Board is proud to have been able to initiate the "701" program for Goffstown and to have assisted the Sewall Company in its study. We shall be asking for funds to continue the study and keep the Plan up-to-date sometime in the future.

Lawrence W. Shirley, Chairman

# BOARD OF ADJUSTMENT

## GOFFSTOWN, NEW HAMPSHIRE

The Board of Adjustment heard twenty-seven applications for variances and exceptions in 1969. Sixteen were granted, ten were denied and decision on one application has been deferred until further evidence is submitted.

The Goffstown Zoning Ordinance has been in effect for nine years. The Ordinance has worked well in the past but due to the growth of Goffstown and due to new State laws that conflict with the provisions of the existing Ordinance, the Board has found that the Ordinance is unfair as applied in some cases. The Board feels that the proposed new Zoning Ordinance will better serve the interests of all residents of Goffstown.

William S. Orcutt  
Clerk

# CONSERVATION COMMISSION

Little activity to report. Limited to reposting the Water Precinct 10 acres sanctuary and the swamp sanctuary on Shirley Hill Road. Also the latter has been policed about once a month. The Water Precinct land is watched by Water Department almost daily and by me visually almost daily. First season no hunters were evicted.

Water Department has planted a large number of small pine trees in the Worden field. This should improve 4 or 5 acres of the water recovery area and later improve level of water table.

# PLANNING COMMISSION

## SOUTHERN NEW HAMPSHIRE

Goffstown, along with the Towns of Auburn, Bedford, Hooksett and the City of Manchester is a member of the Southern New Hampshire Planning Commission.

The Goffstown representatives on the SNHPC are Lawrence W. Shirly and Roland Barnard. Mr. Barnard is the Commission's Vice-Chairman.

The SNHPC staff works closely with the Goffstown Planning Board. Ray Walker, Regional Planner with the SNHPC attends the Goffstown Planning Board Meetings as an advisor. Mr. Walker keeps the planning board informed about regional planning activities and helps them relate the regional plans to Goffstown's present and future development. In addition Mr. Walker has assisted the Planning Board in its review of zoning controls and subdivision applications. He worked closely with the Planning Board over the past year reviewing major changes to the Town Zoning Ordinance prepared by the Sewall Company in conjunction with the Town's Comprehensive Plan.

Regional Planning activities undertaken by the SNHPC and which have particular significance to Goffstown are as follows:

## SEWER AND WATER PLANNING

Regional Sewer and Water Plans are well along. It is expected that specific proposals will be ready for presentation about mid-1970. These plans are being done in response to Federal financing programs requiring "area-wide" planning for sewer and water facilities in order to qualify for as much as 95% Federal and State assistance for construction of major sewer lines and treatment facilities or as much as 50% Federal assistance in construction of water supply and distribution facilities.

## TRANSPORTATION PLANNING

The SNHPC has established a continuing transportation planning process in conjunction with the New Hampshire Department of Highways. This planning process provides for a continuous means of evaluation and revision of the Metropolitan Manchester Planning Study completed in 1966. Continual transportation planning is required by the 1962 Federal Highway Act in order to qualify certain highway projects, such as the relocation of Route 114 for Federal-aid.

## COMMUNITY SHELTER PLAN

The SNHPC expects to publish the Emergency Readiness Document of its Community Shelter Plan early in 1970. This document identifies fallout shelters and tells you where to go and what to do in case of nuclear attack upon the United States. This study is being done under contract with the Army Corps of Engineers.

## REFUSE DISPOSAL

Refuse disposal is both a local and national problem. When the garbage man picks up your refuse, where does he deposit it? — the Town Landfill! What happens when the Town Landfill fills up? How much does it cost to operate the Town Landfill? These are questions that face all municipalities.

The SNHPC feels that refuse disposal is a problem of regional significance that can best be resolved through a cooperative effort. Last year the SNHPC encouraged its members to establish Refuse Disposal Planning Committees which could meet together to act as a Regional Refuse Disposal Planning Board. Several members formed such committees. These committees met late in 1969 for orientation purposes. Another meeting is scheduled for early 1970 to start a concerted effort in this important area in 1970.

## THE YEAR AHEAD

Looking ahead to 1970 and beyond, the SNHPC has established the following objectives:

Printing and distribution of the Community Shelter Plan emergency readiness document.

Completion of a detailed Regional Water and Sewer Facilities Plan.

Continued Planning Assistance to members on a more intensified basis.

Continuous effort to insure members qualify for maximum Federal-aid for construction of needed facilities.

Assist members in converting plan recommendations into actual projects.

Provide a strong liaison between municipal members in all matters of joint interest to insure coordinated development.

Determine the best and most economical way to provide needed facilities by minimizing duplication and guiding future development to areas best suited for new growth.

Continue strong direct contact with State and Federal agencies to insure quick action on all questions.

Provide information and guidelines to member municipalities, public and semi-public agencies and private enterprise as to which areas are best suited for development of various types, and coordinate development proposals with the separate municipalities.

The Southern New Hampshire Planning Commission is an advisory body established jointly by its member municipalities for the purpose of encouraging and coordinating development, and insuring that area-wide planning requirements are met, thereby maximizing potential Federal-aid for construction of new facilities which attract development. In short, the Commission produces a concerted effort to encourage the Region to "Think Planning", because planning is everybody's business.

# RECREATION

## Goffstown Recreation Advisory Council PROGRESS REPORT

The Goffstown Recreation Advisory Council has just about completed the job that it was organized to do.

The year 1969 saw major construction work started and completed at Roy Memorial Park. The park now has a ball field for Little League use, three tennis courts, a kiddie play area, a comfortably large shelter building and with financial help from the Pinardville Lions and the Catholic War Veterans a 35' x 82½' pool is complete and ready for use. The only other work contemplated at Roy Memorial Park is landscaping which is to be done as funds become available.

The Barnard Playground improvements have been slower in starting because of financial problems that developed. However those have been solved and an "L" shaped pool is scheduled for early Spring Construction, hopefully ready for the swimming season. Further improvements, (tennis courts, play area, etc.) will be constructed in order of importance and necessity as decided by the Barnard Trustees.

The last three years have seen good progress in the field of recreation. By continuing to work as a team, "together", Goffstown will continue to have fine, year-round recreation for its youth.

## ROY MEMORIAL PARK REPORT

The 1969 playground season in Pinardville was very successful. Successful in many, many ways. We had supervised play on a limited basis with an average attendance of 35 youngsters per day; the tennis courts were in constant use, and the ball field became the home park for teams of the Goffstown Little League. The season ended with

an End-O-Summer teen dance, held at the shelter building. This was a great success with better than 300 teenagers attending.

The most gratifying aspect of this dance was the interest shown by the many parents who *volunteered* and *gave help* so this could be well organized and supervised. This was the high point of the playground season and may very well be repeated this year.

Unfortunately, the swimming pool was not built in time for use last summer; however, it is now complete and ready for use. Full use of the pool will be made, with swimming lessons in the morning and general swimming in the afternoons; evenings will be reserved for adult swimming.

The 1970 playground season shapes up to be a great one with new equipment, more extensive, better organized play sessions for all age groups. Further improvement to the play areas are planned and by the end of the season, Roy Memorial Park will be an area everyone can be proud to have in our town.

## 1969 BARNARD PLAYGROUND REPORT

The program at Barnard Playground continues to expand each year as more children and teenagers participate, and more activities are added.

There were weekly sport competitions with 125 ribbons awarded and 40 trophies presented. These were given in archery, high jump, tennis, horse shoes, darts, tetherball, broad jump and bicycle races.

Field trips were one of the additions this year, with bowling, a fishing derby, a Manchester Yankee baseball game, and a most successful swim meet held at the home of Dr. and Mrs. Snay. The trustees wish to thank the parents who assisted with transportation for the children to make these trips possible.

The Neighborhood Youth Corp were again a

continued on the next page

continued from page 15

great help to Mr. and Mrs. Konieczny in making this a successful summer program.

The ice skating pond is cleared whenever possible, and is used by a great many, ranging from the small-fry to parents.

After careful inspection and consideration by the Trustees and Selectmen it was decided for the safety of all that the grandstand had to be razed.

It is the Trustees aim to strive each year for a better program than previously, therefore 1970's program should show great strides of improvement.

THE BLUE GODSE

## THE BLUE GOOSE YOUNG PEOPLE'S UNION

If anyone should ask me  
to give a reason  
why I loved my friend,  
there could only be one answer;  
"Because he was he  
because I was I."

Montaigne

The Blue Goose Young People's Union is about to conclude its second year of operation. It is now a drop-in place where high-school-age members can feel at home. With the addition of several new advisors it has been possible to be open every evening for the last few months. Although advisors are available for afternoons after school, interest in attending is lacking.

Interested members and advisors have formed committees over the last few months to explore the future of the Goose and how its format could be changed to attract new members. One of the results was redecorating which was designed and carried out by the members. Another was the realization that television, music and creative activities would be possible only with the expansion of existing facilities. Tennis and basketball courts are still in the planning stage. The Young People's Union has \$4,478.88 in its savings account accumulated through hard work and generous donations. There has been the promise of

building materials from an anonymous donor for any building that has to be done provided that there is the assurance that the Blue Goose Young People's Union will continue to exist.

In the last year, as a spontaneous response to human needs, the Blue Goose membership voted to buy an oxygen tent for a local boy and to contribute \$200.00 to the fund for Muscular Dystrophy. More recently they have been endeavoring to start an employment service whereby part-time jobs would be made available for its members.

The membership would like to take this opportunity to thank all those people who have helped in so many ways; the advisors who have given generously of their time and interest; the friends who have given donations to the building fund; and all those people who have expressed an interest and have given their moral support.

PRECINCTS

RECORD OF ANNUAL  
PRECINCT MEETING

March 17, 1969

Annual Meeting of the Goffstown Village Precinct was held at the Town Hall.

Meeting called to order at 7:35 P.M. by the Moderator, Gardner Lamson.

Warrant was read and each article taken up.

Article IV. Voted to accept the report of the Budget Committee of Thirty-five Thousand Eight Hundred Dollars (\$35,800.00) and appropriate same.

Article V. It was voted to appropriate a sum of Fifteen Thousand (\$15,000.00) Dollars for the purpose of laying a ten (10) inch main on Elm and Maple Avenue to the King development. Mr. King must furnish a bond to cover Fifteen Thousand (\$15,000.00) Dollars to protect us in case he doesn't do the work.

Article VI. Voted to allow the Precinct to accept the new bounds of the Precinct as surveyed by Gerald Hyde.

There was a discussion of mains and hydrants to be used.

The Treasurer reported \$4,100.10 on hand.

There was a discussion of Bonded Debt as printed in the Town Report.

Motion made and voted to adjourn at 8:00 P. M.

Elizabeth Bixby, Clerk

Article I. Gardner Lamson was elected to the office of Moderator and took oath of office in open meeting. Elizabeth Bixby was nominated for office of Clerk, was elected and took oath of office. Auditors nominated and elected were Howard Johnson, Richard Duclos, and James Cody.

Article II. Water Commissioner for five years. Laurence E. Whitten was nominated and elected and took oath of office which was given by the Moderator.

Article III. Voted to allow Water Commissioners the right to hire money in excess of \$300.00 due to any emergency.

A True copy of Record  
Attest:  
Elizabeth Bixby, Clerk

Albert Gilbert	Term Expires 1971
Henry Burnham	Term Expires 1972
Albert Merrill	Term Expires 1973
Laurence Whitten, Chairman	Term Expires 1974

## WARRANT FOR ANNUAL PRECINCT MEETING

March 16, 1970

To the Inhabitants of the Goffstown Village Precinct qualified to Vote in Precinct Affairs.

You are hereby notified to meet at the Goffstown Junior High School in said Goffstown in said Precinct on Monday, March 16, 1970 at 7:30 o'clock in the evening to act upon the following subjects:

### Article I

To choose all necessary officers for the ensuing year including a Moderator, Clerk, and Auditors.

### Article II

To elect one (1) Member of the Board of Water Commissioners for five (5) years.

### Article III

To elect one (1) Member of the Board of Water Commissioners to fill out the term of Fred Parker which expires in 1972.

### Article IV

To see if the Precinct will vote to accept the report of the Budget Committee of Forty-six thousand Eight Hundred Fifty (\$46,850.00) Dollars and appropriate same.

### Article V

To see if the Precinct will vote to appropriate a sum of Seven Thousand (\$7,000.00) Dollars to purchase approximately thirty acres of land now owned by the Gibbs Estate as shown on a map surveyed by Gerald Hyde.

### Article VI

To see if the Precinct will vote to allow the Board of Water Commissioners the right to hire money in excess of Three Hundred (\$300.00) Dollars due to any emergency.

### Article VII

To hear the reports of the various Officers of

the Precinct and pass any vote thereto.

### Article VIII

To transact any other business that may come before said Meeting.

Given under our hand and seal this ninth day of February, 1970.

Laurence E. Whitten, Chairman  
Albert Gilbert  
Albert Merrill  
Henry Burnham  
Hedley Pingree

## SCHOOL DISTRICT ELECTION MEETING

March 11, 1969

Regular meeting for the election of School District Officers called to order by Town Moderator Gordon Burns at six o'clock in the forenoon at the Goffstown High School.

Moderator Burns read the warrant for voting on School District Officers, and declared school district voting open.

Polls closed at 6:30 P. M. in the afternoon and ballots counted.

Total number of ballots cast:	1891
Blank ballots:	117
MODERATOR: Gardner Lamson	1508
CLERK: Lawrence Emerton	1482
TREASURER: Ruth Henk	1445
SCHOOL BOARD: Village Dist.	
for 3 years: Robert A. Merrill	1322
Outlying Dist.	
for 3 years: John N. Auld	1275
Pinardville Dist.	
for 3 years: JoAnn Meyers	1300
Pinardville Dist.	
for 2 years: Emile Bourque	1341
Pinardville Dist.	
for 1 year: Hector Theriault	1268
Gardner Lamson, Lawrence Emerton, Ruth Henk, Robert Merrill, John Auld, JoAnn Meyers, Emile Bourque, and Hector Theriault declared elected by the Moderator at open meeting.	

Meeting declared closed at 12:50 P. M., Wednesday, March 12, 1969.

## SCHOOL DISTRICT ANNUAL SCHOOL MEETING

March 18, 1969

Regular meeting of the Goffstown School District held at the Goffstown High School Auditorium. Meeting called to

order by Moderator Gardner Lamson at 8:10 P. M. Call for the meeting was read. Salute to the flag was led by Sen. Nathan Tirrell. Certificate as to the posting of the warrant was read. It was moved and seconded to omit the reading of the warrant and to act upon each article as it appears. Carried.

ARTICLE No. 1. Moved by Mrs. Martel and 2nd to approve the article as printed in the budget. Carried.

ARTICLE No. 2. Moved by Mr. Girard and 2nd that the reports of Agents, Auditors, and Committees be accepted as printed in the Town Report. Carried.

ARTICLE No. 3. Moved by Mr. Burpee and 2nd that the School District appoint the State Tax Commission as auditors for the School District. Carried.

ARTICLE No. 4. Moved by Mr. Merrill and 2nd that the District vote to authorize the School Board to make application for and to accept, on behalf of the District any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States. Carried.

ARTICLE No. 5. Moved by Mr. Burpee and 2nd that the voters pass over this question and act on it after Article No. 8. Carried.

ARTICLE No. 6. Moved by Mr. Grady and 2nd by Mrs. Meyers that the district approve this article. After a 40 minute discussion Mr. Merrill moved and was 2nd that article be amended to insert the words "and/or major addition to existing Junior High School" after word "School" in original motion. The vote on the amendment was:

Yes: 158                      No: 141 by a standing vote.  
The original question then carried by voice vote.

ARTICLE No. 7. Moved by Mrs. Meyers and 2nd that the Goffstown School District vote to raise and appropriate a sum of \$42,000. for the renovation of the Bartlett School to provide additional classroom facilities for increased pupil enrollment. After a 15 minute discussion the article carried.

ARTICLE No. 8. Moved by Mr. Girard and 2nd on the Dunbarton school tuition question. Article was lost by a voice vote.

ARTICLE No. 5. Creating an AREA school planning committee. Mr. Burpee moved and was 2nd that article be adopted. Carried.

ARTICLE No. 9. Grading physical education area at Goffstown High School. This article not recommended by budget committee so therefore could not be acted on.

ARTICLE No. 10. Moved by Mr. Burpee and 2nd that the District vote to raise and appropriate \$1,284,065.58 for the support of schools, for the payment of salaries, for school district officials and the payment of the statutory obligations of the District. Carried.

Moved by Mr. Burpee and 2nd that the District give a rising vote of thanks to Mr. George Hebert, retiring Chairman of the Board, for his nine years of dedicated service to the Goffstown School Board. *Carried Unanimously.*

There being no further business, the meeting was declared adjourned at 10:36 P. M., Tuesday, March 18, 1969.

## SCHOOL WARRANT The State of New Hampshire

To the inhabitants of the School District in the town of Goffstown qualified to vote in district affairs:

You are hereby notified to meet at the Goffstown High School in said district on Monday, the 2nd day of March, 1970 at eight o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
2. To hear the report of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
4. To see if the District will vote to authorize the School Board to make application for and accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire or United States.
5. To see if the district will vote to reserve the unexpended balance of the amount of ten thousand dollars (\$10,000.00) raised and appropriated at the annual meeting on March 1969, for the purpose of hiring an architect to make preliminary plans for a new Goffstown Junior High School, and make such sum of money available to the school board and building committee in the fiscal year 1970-71 for the continued study of school building needs and the payment of necessary expenses and of architectural services relating thereto.
6. To see if the district will vote to raise and appropriate the sum of Thirty-one thousand, two hundred and twenty-five dollars (\$31,225.00) for the purpose of establishing and operating a kindergarten program in the schools of Goffstown. (Submitted without recommendation).

7. To see if the district will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) for the purpose of employing a school psychologist. (Submitted without recommendation).

8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Given under our hands at said Goffstown this 13 day of February 1970.

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 5, 1969

The School Board  
Goffstown School District  
Goffstown, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Goffstown School District for the fiscal year ended June 30, 1969, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as

part of the report.

## SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, the School District Treasurer and the School Lunch Account.

## FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1968 and June 30, 1969, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$83,657.74 during the fiscal year ended June 30, 1969.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1969, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$3,196.63 plus a revenue surplus of \$4,414.12, resulted in a net budget surplus of \$7,610.75.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1969, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1969, is included in Exhibit F.

School Lunch Program Account: (Exhibit G)

A statement of the School Lunch Program Account is included in Exhibit G.

continued on the next page

**School Tax Account: (Exhibit H)**

Exhibit H, presents a statement of the School District Tax account with the Town of Goffstown. As indicated therein, as of June 30, 1969, the School District had received the total of the 1968-69 School Tax in the amount of \$884,243.51.

**Building Fund Account: (Exhibit I)**

A statement showing the activity in the Building Fund Account during the fiscal year is presented in Exhibit I.

**Statement of Bonded Indebtedness: (Exhibit J)**

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1969, showing annual debt service requirements, is contained in Exhibit J.

**GENERAL COMMENTS****Current Surplus:**

The current surplus (excess of total assets over current liabilities) decreased by \$6,342.26, from \$13,993.79 to \$7,651.53, during the fiscal year ended June 30, 1969, as shown herewith:

	June 30, 1968	June 30, 1969
<b>Total Assets</b>	<b>\$22,534.81</b>	<b>\$38,793.32</b>
<b>Current Liabilities</b>	<b>8,541.02</b>	<b>31,141.79</b>
<b>Current Surplus</b>	<b>\$13,993.79</b>	<b>\$ 7,651.53</b>

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Goffstown School District for their assistance during the course of the audit.

Yours very truly,

O. Maurice Oleson,  
Director

Mr. and Mrs. Clayton Sargent

Mr. Sargent has been transporting Goffstown school children since 1933. Starting with one car, four children and a teacher as passengers, to driving five buses and 480 pupils.

Mr. Clayton Sargent is retiring at the end of the school year 1970.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

Report of the Superintendent of Schools

To the School Board and Citizens of Goffstown, I herewith submit my eighth annual report relative to the schools of Goffstown.

### School Population Outgrows Facilities

The Goffstown School population, on the verge of reaching 2,000 public school students, has outgrown all of the school facilities in town including the new 1964 Goffstown High School, the 1960 Maple Avenue School addition, the 1962 Bartlett School addition and the 1874 White School which is filled to capacity with Goffstown's sixth graders. The 1969 renovation of the basement of the original Bartlett School has temporarily eased the accommodation of the Bartlett School area school population growth for grades one through five which the school currently houses.

The Goffstown Schools have a total enrollment of 1960 students in the schools as follows:

Goffstown High School				
Grade	9	178		
	10	192		
	11	155		
	12	122	647	
Goffstown Junior High School				
Grade	7	208		
	8	217	425	
White School				
Grade	6	154	154	
Maple Avenue School				
Grade	1	97		
	2	87		
	3	98		
	4	92		
	5	91		
Special Class		9	474	
Bartlett School				
Grade	1	67		
	2	51		
	3	49		
	4	49		
	5	44	260	
Grand Total — 1960 students				

It is evident from the statistics that Goffstown faces in the immediate future the possibility of double sessions in the Goffstown Junior High School, Goffstown High School and possibly grades five and six.

Double sessions are possible only by special action on the part of the N. H. State Board of Education with permission granted on a temporary basis and predicated on a proposed solution to the problem to be effected within a reasonable period of time.

A double session day raises the cost of education in numerous items which include increased staffing, double bus transportation, increased heat and light expenditures and additional custodial personnel.

A double session day deprives the student of many hours of in-school-time. It further causes parental concern when older children have different school hours than the younger children. (For example, an elementary student from the same family may attend school in the morning while a secondary student from the same family attends school all afternoon until approximately five o'clock.) The routine of the entire family is often disrupted.

The Goffstown School Building Study Committee has recommended a new Goffstown Junior High School.

The construction of a new Goffstown Junior High School or some other provisions for major expansion of school facilities will resolve the crisis Goffstown faces in the school population explosion as Goffstown which less than 10 years ago had less than 1000 students and in 1970 has reached an enrollment of 2000 students.

### School Board — Teacher Negotiations

The Goffstown School Board is currently negotiating with the Goffstown Education Association to draw up a negotiations agreement which will recognize the Goffstown Education Association as the exclusive bargaining representative of all full-time teachers and certain other employees but excluding primarily all administrative personnel.

Through the agreement, the Board will agree to enter into negotiations with the Association in accordance with defined procedures in a good faith effort to reach agreement concerning teachers' wages, hours and conditions of employment.

The Goffstown School District is represented in the negotiations by the Goffstown School Board Subcommittee on Teacher Negotiations comprised of John Auld, Chairman, Emile Bourque, Maurice Girard and Henry Grady with Alan Hall, school board legal counsel. The Goffstown Education Association is represented in the negotiations by the Association Negotiation Subcommittee comprised of Raymond Regan, Chairman, Mrs. Judith Davis, Miss Judith Swanson, Miss Francine Fullam, Raymond DesRocher, William Shanahan and Richard Dowd, with John Griffin, Esq., Association legal counsel.

### State-Wide Testing Program

The schools participated for the second year in the New Hampshire state-wide testing program for grades 2, 4, 6 and 8. The test is a comprehensive battery of both achievement and ability tests. While the greatest value of testing lies in the information it provides about the individual pupil's progress and ability, the standard program also aids in analysing the strengths and weaknesses of the curriculum. Both national and state averages are provided for these tests so that the general level of pupil achievement locally can be compared to that in other New Hampshire communities. At the present time, the over-all results are encouraging. More valid conclusions can be drawn next year when children who were included in last year's program are re-tested.

### Goffstown High School

For the first time since the construction of the new Goffstown High School in 1964, Goffstown High School has experienced a crowded situation. In a building planned to handle the needs of approximately 550 pupils, our enrollment has now increased to approximately 650. Passing in the corridors between classes is now becoming difficult and three areas (a conference room, a teachers workroom and a supply closet) not designed as learning areas have been pressed into service for that purpose. The building is presently approaching 100% plant utilization, with 85% plant utilization considered within normal limits. In June we will graduate approximately 122 students. Eighth grade enrollments indicate that these graduates will be replaced by 235 grade 9 pupils. Robert Moulton, Principal, states that it is possible that our enrollment could reach a total of 757 students for the school year 1970-71. He states further, that in terms of staff needs, which could vary slightly depending upon enrollments, it is not unrealistic to suggest that we would need six additional teachers to handle our increased number of students.

Scheduling for the coming year will be a very real challenge considering our growth and our limited facility. Mr. Moulton further states that it is very possible that double sessions must soon be considered.

Efforts were continued to improve our scholastic program during the 1969-70 school year. Added to the program were Spanish II, Latin III and Art III. Physical Education was made available to a greater extent to all students through the assignment of two physical education instructors to the high school on a full-time basis. Courses relatively new to the program such as the humanities, public speaking, calculus as a non-credit course, non-western history, business arithmetic, sales, business law, business communications, band, chorus and reading continued in development. Important to report are studies being made to complete revision of our already fine mathematics program for 1970-71 and plans to add advanced courses in physics and chemistry to our science program as well as substitution of a new general science course to be taught by all members of our science staff as

a team. Also under development is a two-year United States History course to replace the Problems of Democracy course now being offered which will allow for experiences in such areas as government, economics and geography.

#### Activities

With the growth of the Goffstown High School student body there have been demands for an extension of offerings in our activity program. While we still are unable to provide as many programs as are desired, we have made progress.

Under the capable direction of Miss Houle, the Dramatics Club was very successful in its first production. An ambitious program is planned for the remainder of the year.

We are pleasantly surprised at the phenomenal growth of both our band and our chorus and proud of the accomplishments of these two groups and their advisors, Mr. Robert Rausch and Mrs. Martha Kellett. Both have been involved in a number of activities this year and many more are planned.

The Student Council has been very active and has accepted among its many tasks the responsibility for school assembly presentations.

Other groups such as the Future Nurses, the Future Homemakers, the Future Teachers and the Camera Club are also in operation and have numerous activities planned.

With the cooperation of the Director of Athletics, Mr. Leon Konieczny, interscholastic schedules as follows have been established:

Boys	Girls
Soccer	Field Hockey
Varsity Basketball	Basketball
J.V. Basketball	Softball
Freshman Basketball	Tennis
Baseball	Cheering
Tennis	
Golf	

Mr. Moulton added that he would be negligent not to report in connection with athletics and physical education that there are disadvantages in not having adequate

playing and practice fields. It is sincerely hoped that we can soon abandon the use of the parking lot and areas far distant from the school in favor of facilities developed on school property.

Under the direction of Mrs. Duncan, further strides have been taken in the development of the Goffstown High School library. Should our requests for 1970-71 be allowed, we will have a book collection of which we can take pride. Demands for the use of audio-visual equipment and materials will make it necessary not only to add equipment but to find additional learning center space and add special facilities, equipment and personnel as well.

Finally, as part of the requirement for continued membership in the New England Association of Colleges and Secondary Schools, Goffstown High School filed and had accepted a two-year progress report indicating progress in improving our educational offerings.

#### Goffstown Junior High School

The Junior High School built in 1925 with an addition in 1948, comfortably accommodates 280 pupils and has a

current enrollment of 425 pupils. This overcrowded condition curtails expanding the curriculum offerings in many areas, and space is urgently needed to meet these needs. However, the quality of education for each child is constantly improving with new ideas and innovations being brought into use. Our curriculum is being constantly up dated in all areas and pupils are being better prepared to continue further educational pursuits.

Although additional space is needed for an adequate Junior High School, improvements to the present school plant are vitally important to maintain this facility for years to come.

Improvements have been made to the building and playground area. New outside doors and venetian blinds have added to the comfort of the students and help promote a better learning situation. Girls and boys lavatories have been renovated, and the halls and some of the rooms in the building were painted during the summer months.

Material was donated and new drapes for the Junior High Library were made by the Junior High Home Economics department.

One hundred and three new books have been added to the Junior High library. Although the number is being increased, lack of space prevents an adequate library that would even begin to approach American Library Association Standards.

The playground area, used by Junior High and Sixth grade students has been paved.

A new oil burner was installed in the Junior High School heating plant. Additional work is required to bring the combined 1925 and 1948 heating system to 1970 standards.

An evaluation of our Junior High School was requested to see if there was any possibility of using our present facility to better advantage, also to see if the quality of education could be improved upon. Mr. Nawoj, Principal, states that inadequate science laboratories limit opportunities for necessary experiments. Small crowded class rooms restrict many types of activities and that there is need for a language laboratory, audio-visual area, music room, art room, health service room, guidance room, remedial reading room, proper office space, teachers room and student lockers.

With the extremely crowded conditions it is very difficult to provide the kind of education and experiences children of this age need. In spite of these conditions a sincere effort is being made to provide for the needs of our children.

#### Bartlett School

Paul Bedard, Contractor, in conjunction with Alexander Majeski AIA, architect, completely renovated the basement of the original Bartlett School, developing a modern open concept teaching area which is completely carpeted and acoustitized.

The pleasant newly created area lends itself to accommodating the three first grades at Bartlett School. The contractor economically constructed bookcases and cabinets which serve as dividers in the large room. Teachers and students are enthusiastic in their endorse-

continued on the next page

ment of the renovated open concept area.

The imagination of the architect, Alexander Majeski, coupled with the outstanding cooperation of Paul Bedard, Contractor, who included without charge many extras not in the contract, developed the outstanding elementary teaching area in Goffstown.

Goffstown residents are welcome to visit this new open concept area to learn how advantageously the school board employed the 1969 appropriation for the old basement renovation.

Leon Cote, Principal, reports that homogeneous grouping has been adopted from grades 1 through 5, thus enabling children to work with children of like abilities. Teachers are able to readily adjust their programs to pupils with like interests.

In the current school year, a full-time remedial reading teacher was added to the Bartlett School staff. Mrs. Phyllis Leonard, a remedial reading specialist, includes in her duties the teaching of reading to many small groups, the testing of students, and visiting teachers to assist them in improving their teaching of reading techniques.

In their continuing effort to improve the school through purchasing equipment, the Bartlett School Mothers Club has recently purchased forty-five grade one chairs. These chairs are used for reading groups in the classroom.

The Mothers Club, at its own expense, had the library completely renovated with a new floor, walls, ceiling and new book shelves. This major project was completed this summer during the renovation of the basement.

Hot top now covers approximately two-thirds of the playground. It is hoped with this year's request the project will be completed.

#### Maple Avenue School

William Brendle, Principal, reports that during the 1969-70 school year, the Maple Avenue School staff will undertake two curriculum studies. One in the area of English and the other in Social Studies. Requests have been made to various textbook publishers and suppliers of supplemental materials for the latest texts and materials in these subject areas. The committees will develop specific evaluative criteria by which to judge these texts and materials. After evaluating all texts and materials on a comparative basis and in terms of what we specifically desire for our own curriculum, a decision will be made to adopt the necessary new series.

The new materials in English will be adopted for the 1970-71 school year. In Social Studies an adoption will take place in the school year of 1971-72. With these new adoptions, our texts and classroom materials will be brought up to date.

Mr. Brendle stated that in the school year of 1970-71 a continuing curriculum committee will be established for grades one through six in the Maple Avenue and White Schools. This committee will work in the following manner. At the outset of the school year, each teacher will choose the subject area at the grade level of his particular interest. When separate committees in the various disciplines are established, these committees will contact the companies specifically involved, requesting new materials available. Evaluations of these materials will be made in a continuing fashion and filed for reference. The purpose of this is two-fold: It will continually keep the teachers aware of new available materials and secondly provide information necessary when changes in the curriculum or supplemental materials are needed to strengthen the present curriculum. A committee of this nature will eliminate the time lag that currently prevails in the making of studies when the curriculum is believed to be inadequate and the implementation of changes.

#### White School

Under the direction of Leonard Hall, Assistant Principal of the White School, the students in grade six this year have the unique experience of attending Camp Union Conservation Camp for a one week period. This camp is located on Otter Lake in Greenfield, N. H. The purpose of this camp is for students to study science in a practical environment. The students engage in numerous activities. They study the water communities in this area; brooks, swamps, and ponds. They learn of the animals who live in these areas, from beavers to the micro-organism of the water itself which they study with bioscopes. Samples of pond water are collected during the day and studied in the evening. The forest community is studied from tree growth to forest management. The students learn the use of and actually use the various forest tools for woodlot management. In the evening another activity is basic astronomy, the study of the stars and various constellations.

The students learn the use of a compass and engage in such activities as night hikes, listing and identifying various animal sounds. With the snow, on daily exploration hikes they are able to study the various animal tracks.

At the end of the week, usually Friday morning, the students themselves summarize and discuss the week's activities. Having studied the animal life, they learn of the balance nature has provided. This experience is quite practical as it is basically concerned with the earth and biological sciences which are studied at the sixth grade level.

Our students attended camp this year the weeks of December 15 to December 19 and January 12 to January 16. We are in hopes of continuing this program as the educational value of this experience cannot be gained in a classroom or from a textbook.

#### **Era of Dedicated Transportation Service Ends**

The Goffstown School District has enjoyed 37 years of dependable transportation under contracts with Clayton Sargent. The service has been of a professional calibre in terms of setting up the routes, the daily bus runs and the economy which has been effected by the relationship of the last 37 years.

Only those close to the inner workings of school bus routes can fully appreciate the responsibility and magnitude of the undertaking and the almost impossible task of satisfying the general public in terms of contract price, vehicles, bus routes, bus stops, drivers, weather conditions and the wide range of student, parental, school board and Johnny Q. Public attitudes that prevail in the total picture of school bus transportation.

Mr. and Mrs. Clayton Sargent have been a team of transportation experts which has developed an effective bus system and performed in an enviable manner in the transportation of the students of the public schools of Goffstown.

On behalf of the students, school personnel, school board and the citizens of Goffstown, I extend to the Sargents the thanks for a job well done and wish them many happy years of retirement, as they terminate their years of dedicated transportation service to the boys and girls of Goffstown.

#### **Acknowledgement**

I wish to extend my sincere appreciation for the dedicated work of the Goffstown School Board, Chandler Burpee, Chairman, in the interests of the educational welfare of the boys and girls of Goffstown. I wish further to acknowledge the cooperation of the principals, students and citizens of Goffstown and the Assistant Superintendent of Schools, Paul Kilmister for the continued support and refinement of the total educational effort of our schools. May I also acknowledge the loyal support of Wayne Evans, Supervisory Union number 19 Business Administrator, and the entire office staff.

Respectfully submitted,

Ernest Peltonen  
Superintendent of Schools

## **BUDGET OF THE SCHOOL DISTRICT OF GOFFSTOWN**

<b>Purpose of Appropriation</b>	<b>1969-70 Approved Budget</b>	<b>1970-71 School Board's Budget</b>	<b>Budget Committee 1970-71 Recom- mended</b>

## GOFFSTOWN ANNUAL SCHOOL HEALTH REPORT

	September 1968 — June 1969	
Vision screening	2421	Heaf test for tuberculosis 320
Hearing tests	2360	Mantoux tuberculin tests 3
Heights	2121	Tine tuberculin tests 5
Weights	2121	Tetanus boosters 19
Inspections	702	

Students examined by Dr. Albert Snay, M. D.		789	
Defects Found		Received Care	
Vision	122	Vision	255
Hearing	16	Hearing	11
Skin	4	Skin	4
Speech	4	Speech	4
Teeth	318	Teeth	724
Wax	36	Wax	7
T and A	6	T and A	14
Orthodontia		Orthodontia	15*
Hernia	2	Hernia	2
Varicocele	1	Varicocele	1
Hydrocele	6	Hydrocele	6
Heart Murmur	3	Heart Murmur	3
Posture	3	Posture	3
Nutrition	8	Nutrition	8
*(corrections)			

Students taken to Dr. Snay's office: 26

Students taken to Moore General for emergency treatment: 14

One student had complete hearing evaluation at Crocheted Mountain.

Two students under care of the Boston Eye and Ear Infirmary.

Two students examined and referrals made by Dr. Breshnahan. This was made possible by Maternal and Child Health and the Visiting Nurses Association.

Throat cultures, stool specimens and serology was completed on all cafeteria workers. This examination was done at the New Hampshire State Lab in Concord.

A Menstrual Hygiene educational program for all sixth grade girls was conducted, appropriate literature was made available.

### Reported Communicable Diseases

Infectious Mononucleosis	1	Vincent's Angina	2
Chicken Pox	91	German Measles	11
Measles	8	Fifth Disease	6
Mumps	19	Tonsillitis	5
Pediculosis	5	Impetigo	1

Home visits 498

First Aids 1596

Pre-school registration was held in May, 1969. One hundred and twenty one children were present and received vision and hearing examinations. A dental examination was also given. The value of pre-school health appraisal, including screening tests lies in the importance of early case finding, enhancing correction of defects at an optimal time and before the child enters school. Necessary curriculum and classroom adjustment can be instituted without delay for other children with identified unremediable problems and for those children needing special attention such as speech therapy.

Vision examinations with corrections were made possible through the Pinardville Lions' Club, Goffstown Lions' Club, and Sight Conservation.

A new ultrasonic compressor was purchased for the use of a student with cystic fibrosis by the following organizations: The Blue Goose Youth Organization, the Goffstown Mothers' Club, the Salvation Army, The Wesley Club, Wyman Auxiliary and the Pinardville Athletic Association. We were most grateful for the combined effort.

The Goffstown Mothers' Club in cooperation with the School Health Services, conducted a preventive program consisting of cleaning the teeth plus an application of topical fluoride. Dental Health Education was an integral part of this program. Mrs. Patricia Dastin, a state dental hygienist, visited all classrooms in the elementary schools with films and educational material.

A good grooming program for boys and girls at the sixth grade level was presented. Informative literature was made available following a question and answer session.

The American Cancer Society and our Future Nurses Club co-sponsored a mother-daughter life saving education program. The purpose of the program was to stimulate interest among women of all ages in the importance and necessity of an annual health check up. Dr. Snay was present to answer questions. We were pleased that our senior girls had this opportunity.

Our school health services have had complete cooperation from all community agencies, from New Hampshire Bureau of Public Dental Health, New Hampshire Child Guidance, Manchester Community Guidance, New Hampshire Tuberculosis Association, New Hampshire Crippled Children's Association, Salvation Army and all local organizations.

The school nurse, like the physician, has a different task when working within the framework of the school. To the teacher, she must be a friendly counselor, cognizant of community resources, sympathetic with family problems, and an interpreter par excellence of the child's needs as revealed by medical examination and school behavior.

Health is not a condition; it is an adjustment. It is not a state, but a process. The goal of health now, calls for not only the cure or alleviation of disease, rather, it looks beyond, to strive for the maximum physical, mental and social efficiency for the individual, for his family, and for the community.

We wish to express our thanks to the Superintendent, Parents, Teachers, and School Board for their cooperation.

Respectfully submitted,

Beatrice Bockus, R. N.  
Doris Bailey, R. N.

## THE VISITING NURSE ASSOCIATION OF MANCHESTER

The services of the Visiting Nurse Association, a United Fund Agency are available for all of the residents of Goffstown regardless of race, creed or ability to pay. The Association is a home health agency certified to care for Medicare patients.

The Visiting Nurse provides bedside nursing care, treatment and instruction and the Registered Physical Therapist provides physical therapy; all services are carried out according to directions by the patient's physician.

Maternal and child health guidance and instruction is given before and after the arrival of new babies and classes for instruction of expectant parents are held three times yearly at the agency.

Family health guidance is also given with

special emphasis on prevention of disease and promotion of health.

Mrs. Grace Gage, R. N., assisted by Mrs. Nancy Bidwell, R. N. made 1,101 visits to Goffstown residents in 1969.

Four (4) clinics were held in Goffstown, sponsored by the State Department of Health & Welfare, Division of Maternal & Child Health and the Visiting Nurse Association, with 179 children attending.

Dr. Francis Bresnahan examined 56 children at the well child conferences in his office, with Mrs. Gage assisting.

The physician, patient, family or a friend may call the Visiting Nurse Association for service at 622-3781 Monday through Friday 7:30 a. m. — 4:00 p. m., 194 Concord Street, Manchester, New Hampshire.

### DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION Concord, New Hampshire

September 5, 1969

#### Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Goffstown School District for the fiscal year ended June 30, 1969.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1969, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson

Director

DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

O. Maurice Oleson  
Auditor  
Robert E. Sanderson  
Accountant

Town Report Award

Goffstown has been awarded 2nd place in Class IV of the New Hampshire Annual Report Contest for the year 1968 in recognition of the excellence of its 1968 Annual Report.
